

Curriculum Vitae di STEFANO BRANZOLI

DATI

Email

Responsabile “Struttura Semplice di Terapia delle Aritmie” –Ospedale Santa Chiara Trento-APSS

Competenze:

- Ablazione ibrida/totalmente toracoscopica di aritmie atriali e ventricolari (Esclusione auricola, TV, FV, PVC, IST, POTS, Sindrome di Brugada)

-Cardiochirurgia mininvasiva totalmente toracoscopica

ESPERIENZE LAVORATIVE

2018 – presente: Cardiac Surgery Department-UZ-Heart Rhythm Management Centre
Brussel-Vrije Universiteit Brussel-Bruxelles, Belgium (BE)

2006 – presente: U.O. Cardiochirurgia ASUIT, Regione Autonoma Trentino-SudTirolo (IT)

1999 - 2003 SC Cardiochirurgia IRCCS Policlinico San Matteo, Pavia (IT)

1999 - 2002 Cardiac Surgery - Mayo Clinic Rochester, Minnesota (USA)

1997 - 1998 HO General Surgery/Medicine -West Cumberland Hospital, (UK)

TITOLI DI STUDIO-FORMAZIONE

2020 PhD Department of Cardiac Surgery-Heart Rhythm management Centre-Vrije Universiteit Brussel (VUB), Bruxelles (BE)

2022 Certificazione/Abilitazione ad Ablazione tachiaritmie Atriali e Ventricolari mininvasiva/open, Heart Rhythm management Centre-Vrije Universiteit Brussel (VUB), Bruxelles (BE)

1999-2003 Scuola di Specializzazione in Cardiochirurgia - Università di Pavia (IT)

2000 United state medical license examination (USMLE) (USA)

1999-2002 MAYO Clinic Rochester Minnesota (USA)

1999: Full General medical Council Registration (UK)

1997 Laurea in Medicina e Chirurgia-Università di Pavia (IT)

ATTESTATI / CERTIFICATI

2019-2025 autore di numerose pubblicazioni scientifiche inserite nelle Linee Guida per il trattamento della

Fibrillazione atriale e pacing (EACTS, ESC, AHA, EHRA, APHRS, HRS).

2001 Premio "Best Young researcher Mayo Clinic and Foundation-2001"-Mayo Clinic and Foundation, Rochester, MN (USA).

2001 Titolare Brevetto per trasfezione genica - US Patent Office (USA).

2000 Mayo Alumni Association - Mayo Clinic and Foundation, Rochester Minnesota (USA).

1998 Fellowship-"Texas Heart Institute-St Luke Episcopal Hospital; Houston, Texas(USA).

1997 Alunno Almo Collegio Borromeo

PROFESSIONALITA'

- Proctor Europeo Ablazione fibrillazione atriale totalmente torascopica
- Proctor Europeo Esclusione auricola sinistra totalmente torascopica
- Proctor Europeo Ablazione epicardica tachiaritmie atriali (tachicardie sinusali inappropriate-IST, POTS)
- Proctor Europeo Ablazione epicardica tachiaritmie ventricolari totalmente torascopica
- Ablazione epicardica Sindrome di Brugada totalmente torascopica
- Risincronizzazione Cardiaca (CRT-D) epicardica totalmente torascopica
- Chirurgia Strutturale Cardiaca torascopica

CONGRESSI (relatore)

2019-European Society of Cardiology Congress (ESC) -World Congress

2019-Associazione Italiana Cardiologia Aritmologia (AIAC)- Congresso Nazionale

2020-European Society of Cardiology Congress (ESC)

2020-European Stroke Organization Congress (ESOC)

2021-Associazione Medici Cardiologi ospedalieri (ANMCO)

2022-European Association of Cardiothoracic Surgery Congress (EACTS)

2022-Multidisciplinary Arrhythmia Meeting (MAM)

2024-71th Conference of Israel Society of cardiology and Cardiac Surgery (IHS)

2024-Multidisciplinary Arrhythmia Meeting (MAM)

2025-European Heart Rhythm Association Congress (EHRA)

2025-European Association Cardiothoracic Surgery (EACTS)

2025-Navigating the Maze

2025-Società Italiana Cardiochirurgia (SICCH)

2025 Frankfurt SCI

2026 European Heart Rhythm Association (EHRA)

2026 European Stroke Organization Congress (ESOC)

2026 ANMCO
