Gender: Female **Date of birth:** 05/05/1996 **Nationality:** Italian

WORK EXPERIENCE

UMC Utrecht <https://www.umcutrecht.nl/en>

City: Utrecht | **Country:** Netherlands

[01/05/2026 - Current]

Visiting Resident Doctor

Fellowship in Advanced Cardiovascular Imaging

- Reporting and interpretation of cardiac CT and MRI studies
- Participation in multidisciplinary team (MDT) meetings with cardiologists and radiologists
- Involvement in cardio-genetics MDT meetings for inherited cardiovascular diseases
- Collaboration with computational imaging engineers in multidisciplinary settings
- Development of basic skills in echocardiography
- Participation in research activities in cardiovascular imaging

AOU Careggi

City: Florence | **Country:** Italy

[01/11/2022 - Current]

Radiology Resident Doctor

Performance and administration of patient examinations through rotations in the following subspecialty areas:

- Cardiovascular Radiology (CT, MR)
- Emergency Radiology (radiographs, US, CT, MR)
- Thoracic Radiology (radiographs, CT, MR)
- Abdominal Radiology (radiographs, US, CT, MR)
- Genitourinary Radiology (radiographs, US, CT, MR)
- Neuroradiology (CT, MR)
- Musculoskeletal Radiology (radiographs, CT, US)
- Breast Imaging (mammography, US, CEM)
- Head and Neck Imaging (US, CT, MR)
- Interventional Radiology (Body IR)

Participation to cardiovascular multidisciplinary meetings being involved in complex cases discussion with referring physicians

Contrast media allergy management

AOUM - Presidio ospedaliero pediatrico "G.Salesi"

City: Ancona | **Country:** Italy

[01/11/2021 - 31/05/2022]

Pediatric Resident Doctor

Clinical skills acquisition through rotations in the following subspecialty areas:

- General Pediatric Department
- Pediatric Emergency Department
- Neonatal Intensive Care Unit
- Infectious Diseases Division
- Cystic Fibrosis Unit

EDUCATION & TRAINING

[01/11/2015 - 21/06/2021]

Master's Degree in Medicine and Surgery

Università Politecnica delle Marche

<https://tesi.univpm.it/handle/20.500.12075/1723?mode=simple>

City: Ancona | **Country:** Italy | **Final grade:** 110/110 cum Laude | **Thesis:** PERSISTENT ATRIAL FIBRILLATION ABLATION: USEFULNESS OF THE NEW CARTOFINDER ALGORITHM IN IMPROVING CATHETER ABLATION EFFECTIVENESS

Thesis supervised by Prof. Antonio Dello Russo

LANGUAGE SKILLS

Mother tongue(s): Italian

Other language(s):

English B2 certification - currently in the process of obtaining C1 certification

LISTENING: B2 **READING:** C1 **WRITING:** C1

SPOKEN PRODUCTION: B2 **SPOKEN INTERACTION:** B2

French

LISTENING: A2 **READING:** A2 **WRITING:** A2

SPOKEN PRODUCTION: A2 **SPOKEN INTERACTION:** A2

Dutch - currently learning

LISTENING: A1 **READING:** A1 **WRITING:** A1

SPOKEN PRODUCTION: A1 **SPOKEN INTERACTION:** A1
