EDUCATION AND TRAINING

POSTGRADUATE:

November 2021 – October 2025

Cardiology residency school (4 years program)

Head: prof. Silvia G. Priori, MD, PhD

University of Pavia – Pavia, Italy

GRADUATE:

November 2015 – July 2021

Medicine and Surgery

110/110 cum laude

University of Insubria, Varese, Italy

Degree thesis' title: "SGLT2 inhibitors: eligibility in heart failure outpatients"

Average grade 29/30

UNDERGRADUATE:

September 2010 – June 2015

ISIS Edith Stein, Gavirate, Italy – High school

WORK EXPERIENCE

5th April 2025 – 9th October 2025

Visiting cardiology resident

UMC Utrecht

Utrecht, the Netherlands

November 2023 – December 2023

Fellowship in cardiac magnetic resonance

Monzino Cardiology Center IRCCS

Milan, Italy

November 2021 – March 2025	Cardiology resident Polyclinic San Matteo IRCSS Foundation Pavia, Italy
August 2021 - September 2021	Visiting doctor (Erasmus Program) Klinik für Innere Medizin, Kardiologie und Angiologie Homburg, Germany
September 2020 – July 2021	Internship in Cardiology Hospital Circolo Fondazione Macchi Varese, Italy
July 2020 – August 2020	Unterassistent in Internal Medicine Ospedale Beata Vergine Mendrisio, Switzerland

PERSONAL SKILLS AND COMPETENCE

Native in Italian. Fluent in English. Basic knowledge of German and French.

Knowledge of transthoracic echocardiography, transesophageal echocardiography, cardiac computed tomography and cardiac magnetic resonance.

During my final university years, I developed a strong interest in clinical research, particularly in the field of cardiology. I wrote an experimental thesis on heart failure, which was later presented at both national and international conferences.

I have good teamwork skills and strong interpersonal abilities, developed during my time at university, where I served for one year as a student representative for the degree course in Medicine and Surgery, as well as through my experience providing private tutoring.

I have also been involved in tutoring activities for medical students.

I possess good organizational skills and can prioritize tasks effectively. I am accustomed to working and making decisions under pressure — a skill I refined during my years as a federation football referee.

I have excellent command of Microsoft Office, and good working knowledge of STATA, IBM SPSS Statistics, GraphPad Prism, and R package.

CERTIFICATION AND LICENSURE

Italian Board as “Medico Chirurgo” Ordine dei Medici e Odontoiatri della Provincia di Varese.

SISM (Segretariato Italiano Studenti di Medicina) member since 2015

Soccer Referee for AIA (Associazione Italiana Arbitri) Varese since 2017 to 2021.

Representative student of University of Insubria.

Advanced Cardiovascular Life Support Program (AHA association) certification

Professional Member of European Society of Cardiology and Italian Society of Cardiology.

Silver member of European Association of CardioVascular Imaging
